

A low-angle shot of a dog, possibly a Border Collie, jumping high into the air. The dog is captured mid-jump, with its front legs extended forward and its hind legs pushing off. Its mouth is open, showing its tongue, and its eyes are focused forward. The background is a bright blue sky filled with fluffy white clouds. The sun is visible in the upper left, creating a lens flare effect. The bottom of the frame shows green grass, suggesting the dog is jumping from a grassy area.
